SAN ANTONIO TEXAS, SAN FERNANDO CATHEDRAL, BUILT 1134

CARTE POSTALE

SAN FERNANDO CATHEDRAL-BUILT 1734. The San Fernando Cathedral, fronting on the Main Plaza, is one of the principal historic places in the city. The old gray walls still stand intact although built in 1734. Inside a soft, stained light falls across the faces of the Madonna and Child, and the Saints, and the Scene of Calvary.

Dear Mrs Blake.

You will see by this we are far away. it is very hot- 91 for two days past. that means 94 or more on the street. trusting you are all well. we expect to reach home about April 11th with very much love for you all from your friend

M. Elizabeth Cooke.
